Program

- Fun and Games and Snacks
- Meet new people and make new friends
- Help the community
- Learn to plan and do service projects for our community
- Led by fun, young, energetic teacher
- Only 20 spots
- Invite your friends!

In this series of Service Club meetings, our young people will explore how to plan and carry out service projects. At the same time, they will get to meet new friends and have a great time doing it. There will be games, planning, social time and snacks.

Our previous series, Rocklin Character Club, was a great success and focused on positive character development for children. In this series, Rocklin Service Club, the goal is for them to work together inside and outside of the scheduled meetings to help others, and continue their positive character development into their teen years.
